

LWW Health Library: Cardiology

Why LWW Health Library?

Designed to support foundational learning and clinical practice, LWW Health Libraries deliver trusted health science education and clinical content to residents, fellows, program directors, faculty, and clinicians through a single portal — providing interactive online access to essential textbooks, multimedia & imagery, real-life case studies, and quizzes.

LWW Health Library: Cardiology has been designed with the exact needs of residents and fellows in mind, with resources covering the specific topics they'll encounter as part of their curriculum and that speak directly to their need to acquire meaningful clinical experience and prepare for exams and professional practice.

**Online Learning Support
for Cardiology Fellows
and Residents with a
Cardiology Rotation**

LWW Health Library: CARDIOLOGY Features:

- 24 world-class Lippincott® textbooks covering core and elective rotational topics
- More than 4,300 procedural videos—including demos of echo loops
- Over 100 additional clinical cases
- Nearly 6,000 multiple-choice Q&A to help track understanding of material
- Integrated journal content: *Cardiology in Review*, *Critical Pathways in Cardiology*, *Journal of Cardiovascular Pharmacology*
- Key textbooks include: *Josephson's Clinical Cardiac Electrophysiology*, *The Echo Manual*, and *Moss & Adams' Heart Disease in infants, Children, and Adolescent*

Key Features of Every LWW Health Library

- **Account personalization:** Save content to a 'My Health Library', access Health Library from any computer, and set up email alerts for when new content is added
- **Quizzing/Self-Assessment:** Create custom quizzes organized by topic, keep track of responses, and link to specific textbook content to help with remediation
- **Ovid MEDLINE® widget:** Instantly access primary literature from MEDLINE®; results include article previews
- **Advanced semantic search:** View results displayed by title, chapter, topic, and/or type of resource
- **Responsive design:** Browse content on your computer, tablet or smartphone with ease
 - **Self-directed learning:** Simple, intuitive navigation and individualized self-assessments give residents control over their progress and motivation to learn
 - **Sharing:** Much content, including technical videos, can be shared with colleagues and classmates
- **Print/save a chapter:** Download chapters via pdf, for easy access to content when offline — for note-taking or to print
- **Multimedia:** Access videos, images, Q&A, patient education handouts, and more
